A global fair where trends come together thread by thread

GLOBAL

The International Istanbul Yarn Fair is one of the global meeting points of the textile industry. It is an essential platform included in the calendars of key decision-makers from around the world.

FOCUSED ON GROWTH

We continue to expand in key market segments such as functional yarns, bobbins, and textile chemicals, meeting the evolving needs of the industry.

PIONEERING

We shape the future of the industry by showcasing visionary trends, innovative textile solutions, and inspiring designs.

RELIABLE

With 47 years of experience, Tüyap has been a pioneering and trusted partner in the exhibition industry since 1979, delivering sustainable fair experiences across various sectors.

2027 GOALS

QUALIFIED HOSTED BUYER PROGRAM

Our Hosted Buyer Program ensures strong and sustainable visitor traffic by bringing high-potential international buyers directly to the exhibition, creating valuable business opportunities for exhibitors.

INSPIRING EXHIBITIONS

The DOKU Fabric Design Exhibition GAIB is a special exhibition area that brings together design and inspiration, showcasing the creative journey from yarn to fabric.
