About the Fair

SMTECH Eurasia: The New Meeting Point of Sheet Metal Processing Industry!

With 21 years of industry experience, now under a new name in Istanbul!

SMTECH Eurasia showcases Türkiye's manufacturing strength in sheet metal processing technologies on the international stage. From laser and plasma cutting machines to welding technologies, all solutions that shape the industry come together at this fair.

SMTECH Eurasia will demonstrate Türkiye's depth in sheet metal processing and engineering capabilities on the global platform. With its proximity to Europe, the Middle East, and Turkic Republics, advanced subcontracting industry, and high-quality machine production, Türkiye is one of the strongest manufacturing and supply hubs for sheet metal processing in the region. SMTECH Eurasia will connect this power with global visitors, offering new collaborations and export opportunities to the industry.

All powered by Tüyap's organizational expertise, right in the heart of Istanbul!
